Same kW. Different quote. What changed?

Compare the scope before comparing the price.

Solar buyer guide

AUGZET
ENGINEERS

The system size is only the start.

Compare the exact panel and inverter models.
Then check mounting, electrical work and any proposed upgrades.

Ask what the total actually includes.

- ✓ Approval-related charges.
- ✓ Installation and workmanship cover.
- ✓ Payment stages and exclusions.
- ✓ Who handles a warranty claim?

Put the answers beside each quote.
